

Website – Youth Church

My idea for the website comes from this site, www.dadaabstories.org

Single-page app

Responsiveness

Idea

- A website for my youth church
- An improvement of their current website
- Simple but effective

Background image

- The images, will be a slideshow.
- Fade-in fade-out transitions between images

Navigation

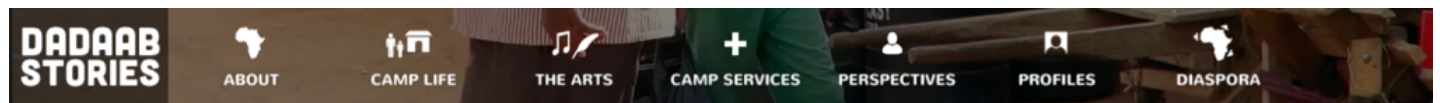

- The menu buttons/navigation will be at the top of the website instead of the bottom (as seen in the example)
- A fixed menu bar

Footer

- Social media buttons
- Church information

ABOUT US

Who we are

City of Favour Youth Ministry is youth arm of RCCG City of Favour, a church based in Leicester. The ministry is dedicated to building a young, vibrant and righteous generation of youth that will praise God, and fulfil their God given purpose

Our mission

Our mission is to build a people who will affect positively the educational, political and social fabric of the society, men and women built up in the area of obedience to the word of God, living a life of Holiness, Prayers, Praise and Stewardship to God.

Our Belief

We believe that every individual in Christ has the potential to discover God's purpose and direction for his or her life and thereby walk in the fullness of the unsearchable spiritual material and physical riches which God has provided for us.
